

UPPER KLAMATH BASIN PRODUCER RESOURCES

SUSTAINABLE NORTHWEST

www.sustainablenorthwest.org

- **POC:** Kelley Delpit, Klamath Basin Manager: kdelpit@sustainablenorthwest.org
- **Mission:** SNW is a nonprofit organization that brings entrepreneurial solutions to natural resource challenges to keep lands healthy and provide economic and community benefits.
- **Relevant Work:** Facilitates landowner outreach and education to promote resiliency through participation in financially attractive conservation practices.
- **MAIN POC FOR UKB PRODUCER LISTENING SESSIONS**

ENERGY TRUST OF OREGON

<https://energytrust.org/industry-agriculture/>

- **POC:** Brad Moore, Program Engineer: brad.moore@cascadeenergy.com
- **Mission:** ETO is a nonprofit organization that helps Oregon residential, business, and nonprofit utility ratepayers use less energy, save on energy costs, and move to renewable resources.
- **Relevant Work:** Pays cash incentives for energy efficiency projects. Customers of Pacific Power can get cash incentives for a variety of irrigation equipment upgrades. Pre-approval required for some upgrades; contact Brad before you purchase.

INTERMOUNTAIN WEST JOINT VENTURE

<https://iwjv.org/state-conservation-partners/oregon/>

- **POC:** Ed Contreras, SONEC Conservation Delivery Coordinator: ed.contreras@iwjv.org
- **Mission:** IMJV is a nonprofit organization that meets people where they are through listening, understanding, and working together to achieve strategic habitat conservation.
- **Relevant Work:** Provides technical assistance, and can pursue funding avenues, for landowners and managers seeking to conserve wetlands and waterbird habitat

KLAMATH FARM SERVICES AGENCY

<https://www.fsa.usda.gov/state-offices/Oregon/index>

- **POC:** Laura Hall, County Executive Director: laura.hall2@usda.gov
- **Mission:** KFSAs are federal agencies that serve farmers, ranchers, and agricultural partners through the delivery of effective, efficient agricultural programs.
- **Relevant Work:** Provides producers with a strong safety net through the administration of farm commodity and disaster programs.

KLAMATH LAKE FOREST HEALTH PARTNERSHIP

<https://www.klfhp.org/>

- **POC:** Leigh Ann Vradenburg, Program Manager: lvradenburg@klamathpartnership.org
- **Mission:** KLFHP is a cooperative network of diverse local and regional partners who have come together to address forestland management in the region.
- **Relevant Work:** Facilitates restoration projects on public and private forestland in Klamath and Lake Counties through education, outreach, and diverse partnerships.

KLAMATH LAKE LAND TRUST

<https://www.klamathlakelandtrust.org/>

- **POC:** Dawn Haight, Executive Director: dawn@klamathlakelandtrust.org
- **Mission:** KLLT is a nonprofit organization that helps protect and restore the Klamath Basin to a productive system for native species and people.
- **Relevant Work:** Acquires conservation easements, trail easements and fee land. Assists with restoration projects and helps educate the public about the environment.

KLAMATH NATURAL RESOURCE CONSERVATION SERVICE

https://www.nrcs.usda.gov/wps/portal/nrcs/detail/or/programs/?cid=nrcs142p2_044030

- **POC:** Josh Elke, District Conservationist: joshua.elke@usda.gov
- **Mission:** Klamath NRCS is a federal agency that works with federal, state, local partners, and private landowners to identify and prioritize where limited federal funds should be invested to yield natural resource results.
- **Relevant Work:** Provides technical and financial assistance to private landowners to implement voluntary conservation and address prioritized resource concerns

KLAMATH SOIL AND WATER CONSERVATION DISTRICT

<https://klamathswcd.org/>

- **POC:** Will Natividad, Interim Conservation Manager: will@klamathswcd.org
- **Mission:** KSWCD is a nonprofit organization that advocates and promotes productive management of natural resources for the benefit of the landowners and residents of Klamath County.
- **Relevant Work:** Provides technical assistance, consultation, planning and education to the landowners and public to promote beneficial use of natural resources. Funds received are applied toward building plans with landowners to improve water availability and quality and soil health to improve agricultural operations as well as conservation of land.

KLAMATH WATERSHED PARTNERSHIP

<https://www.klamathpartnership.org/>

- POC's:** Bill Lehman, Executive Director: blehman@klamathpartnership.org
Mark Johnson, Program Manager: mjohnson@klamathpartnership.org
Leigh Ann Vradenburg, Program Manager: lvradenburg@klamathpartnership.org
- **Mission:** KWP is a nonprofit organization that works with landowners on their terms to conserve natural resources for the benefit of local communities.
 - **Relevant Work:** Assists with forest health projects, irrigation efficiency improvements, wetland restoration, and upland watershed projects that are designed to benefit fisheries, farmers, and the regional economy.

MACY'S FLYING SERVICE

<https://macysflyingservice.com/>

- **POC:** Jacob McCarty: jacob@macysflyingservice.com
- **Mission:** Macy's is an agricultural business that caters to the needs of growers by providing a full line of agricultural chemicals and fertilizers with the capability of applying all products by air or by ground.
- **Relevant Work:** Applies aerial grasshopper treatment spray to prevent grasshopper induced forage loss and help keep land productive. Economic advantage given to larger treated acreage, i.e., neighbors collaborating to treat adjacent properties at one time.

OREGON DEPARTMENT OF AGRICULTURE

<https://www.oregon.gov/oda/programs/IPPM/SurveyTreatment/Pages/GrasshoppersCrickets.aspx>

- **POC:** Todd Adams, Entomologist/Eastern Oregon Field Office Survey Coordinator; Grasshopper Program: Todd.ADAMS@oda.oregon.gov
- **Mission:** ODA is a state agency that serves the changing needs of Oregon's diverse agricultural and food sectors to maintain and enhance a healthy natural resource base and strong economy in rural and urban communities across the state.
- **Relevant Work:** Coordinates grasshopper surveys and treatment reimbursement. All requests must be made on our online reporting form.

<https://www.oregon.gov/ODA/shared/Documents/Publications/NaturalResources/KlamathhAWQMAreaPlan.pdf>

- **POC:** Nina Andrews, Klamath Water Quality Specialist: nina.andrews@oda.oregon.gov
- **Relevant Work:** Monitors agricultural water quality

OREGON DEPARTMENT OF FORESTRY

<https://www.oregon.gov/odf/Pages/index.aspx>

- **POC:** Jason Pettigrew, Stewardship Forester: Jason.W.PETTIGREW@odf.oregon.gov
- **Mission:** ODF is a state agency that serves the people of Oregon by protecting, managing, and promoting stewardship of Oregon's forests to enhance environmental, economic, and community sustainability.
- **Relevant Work:** Provides support with fire protection and recovery, and forest resource management on private and public lands.

OREGON STATE UNIVERSITY EXTENSION CENTER

<https://extension.oregonstate.edu/klamath>; <https://extension.oregonstate.edu/lake>

- **POC's:** Ian McGregor, Asst. Professor of Livestock and Irrigation: Ian.mcgregor@oregonstate.edu
Tammy Barnes, Asst Professor of Animal, Rangeland Science: tammy.barnes@oregonstate.edu
- **Mission:** OSU Extension Centers are research university centers that provide research-based knowledge and education to strengthen local economies, sustain natural resources, and promote health communities, families, and individuals.
- **Relevant Work:** Practices research methods to develop and test management strategies that improve the economic sustainability of Klamath and Lake County hay and livestock industries that face variable irrigation water supply.

OREGON WATERSHED ENHANCEMENT BOARD

<https://www.oregon.gov/oweb/grants/Pages/drought%20relief.aspx>

- **POC:** Amy Charette, Drought Program Coordinator: Amy.CHARETTE@oweb.oregon.gov
- **Mission:** OWEB is a state agency that provides grants to help protect and restore healthy watersheds and natural habitats that support thriving communities and strong economies.
- **Relevant Work:** Several offerings for Klamath drought relief and resilience available fall of 2022 through June of 2023. Landowners must collaborate with an organization to apply for and receive funding.

TROUT UNLIMITED

<https://www.tu.org/>

- **POC:** Nell Scott, Klamath Restoration Director: nell.scott@tu.org
- **Mission:** TU is a nonprofit organization that brings together diverse interests to care for and recover rivers and streams.
- **Relevant Work:** Provides technical assistance and funding for voluntary restoration projects on private and public lands. Projects aim to improve fisheries and watershed health while maintaining agricultural viability.

UPPER KLAMATH BASIN AGRICULTURAL COLLABORATIVE

- **POC:** Larry Nicholson, President: larry.nicholson35@outlook.com
- **Mission:** The UKB Ag Collaborative is a nonprofit organization that promotes and protects UKB agricultural producers' resilience.
- **Relevant Work:** Provides education, support, and advocacy for UKB producers.

US FISH AND WILDLIFE SERVICE: PARTNERS PROGRAM

<https://www.fws.gov/office/klamath-falls-fish-and-wildlife>

- **POC's:** Brian Hidden, Private Lands Biologist: brian_hidden@fws.gov
Sara Blocker, Bio-Hydrologist: sara_blocker@fws.gov
- **Mission:** The USFWS Partners Program is a federal, non-regulatory agency that provides free technical and financial assistance to landowners, managers, Tribes, corporations, schools, and nonprofits interested in improving wildlife habitat on their land.
- **Relevant Work:** Provides technical assistance and funding for restoration projects on private lands benefitting wildlife and agricultural operations.

WILLAMETTE PARTNERSHIP

<https://willamettepartnership.org/>

- **POC:** Barton Robison, Health and Outdoors Partner: robison@willamettepartnership.org
- **Mission:** Willamette Partnership is a nonprofit organization with a deep commitment to helping build stronger, healthier, and more equitable communities that are sustained by nature.
- **Relevant Work:** Provides technical assistance and funding to support collaborative problem solving in Oregon communities.
